PRESIDENT'S MESSAGE

Dear Guild Members,

Here is something to think about and a question to ask yourself. There are a host of benefits to being a member of the Guild. Are you enjoying the many things the Guild makes available to its members? Hmmmm.....

You probably can check off the first one, quite a nice informative newsletter which seemingly comes to you 10 months out of the year from the Guild Newsletter Chairs. Bravo!!!

Next are the opening receptions for each new Gallery Exhibit hosted by the Guild Hospitality and Wine Bar Chairs, with food donations and help from volunteer members. These special evenings are an opportunity to meet exhibiting artists, view some extraordinary art in the Gallery, and enjoy socializing with guild members and community visitors to the event. Spectacular!!!

The Guild Program Chairs offer members a variety of opportunities by organizing visits to galleries, museum exhibits, artist studios, and on-premise artist lectures and demonstrations. Fantastic!!!

And so important, Guild members are a vital part of these activities and have an opportunity to become personally involved on committees and the Board of Directors. Please look at the next page for the current listing of the Guild Officers, Board & Committee Chairs. Is there an area that interests you? Teams with Co-Chairs are encouraged to make jobs easier and share responsibilities. Your help would be welcome!!!

On that note, this month the Nominating Committee, Jeanne Delp, Manveen Kalyanpur and Lorrie Wong, will be working on a slate of candidates for 2023-2024, to be announced in the May Newsletter. Open positions include VP, Treasurer, Publicity, Ways & Means/2-3, and Wine Bar/2. Guild members may submit nominations to the Nominating Committee any time prior to May 10th, providing members are in good standing and have given consent. Guild By-Laws prescribe a general election in May by mail-in and/or email ballot, to be received no later than June 1.

That's it for March! I for one am looking forward to "Fremont Creates" exciting April calendar of "Arts, Culture and Creativity"! There is much to celebrate in our community and Olive Hyde Art Guild is a big part of the celebration!

My thanks and best to all of you,
Judy Anglin, President

BOARD MEETING HIGHLIGHTS

- OHAG will sponsor the Serra Center Art Workshop for developmentally disabled adults running 9 weeks starting April 5th at the Fremont Community Center at Lake Elizabeth.
- Silk workshop was a huge success and the artist Walter Stevenson was super gracious! Please check out the pictures further on in the newsletter.
- We have two more programs lined up - field trip to Museum on Main in Pleasanton and an assemblage workshop with Michael Sunzeri.
- Next reception is on April 14th and we typically get a pretty large crowd for the member's show.
- Scholarship committee finding judges
- Member's social is on April 20th on a Thursday from 10 AM to 12 noon. Need help for setup at 9 AM. And there will be a docent tour of the gallery after that at 12 noon
- Grant application in process with Fremont Bank for the Holiday Show. Lisa Stambaugh and Nancy Ruskin will be working on new artist outreach.
- The April 1st kickoff event of Fremont Creates has sadly been canceled. There just was not enough time and the timelines did not match for the grants needed. The 1000\$ donation from OHAG will be earmarked for next year.
- Nominating committee of Lorrie Wong, Jeanne Delp and Manveen Kalyanpur has started their task of filling up board positions. Please consider volunteering and let us know if you are interested in any positions.

APRIL PROGRAM: "Assemblage with Michael Sunzeri" - a mini workshop
On Thursday April 27th from 10:00 to 1:00. Details to follow.

FEBRUARY PROGRAM: SILK MINI WORKSHOP

Our silk mini workshop was quite the success. Once again we had to start a waitlist, which is hard because we would like to accommodate everyone. If you are unable to attend, please let us know as soon as possible.

At this workshop, we learned to paint on silk. The artist **Walter Stevenson** talked about how the different dyes, salt and alcohol work on silk. Afterwards we each had our own piece of silk stretched on a hoop and got to try out the different techniques. Walter was not only very informative, but also extremely entertaining, keeping us laughing at all times. Little did we know we were going to a comedy show and silk workshop. Our heartfelt thanks to Walter!

“Art is not what you see, but what you make others see.”
