Interconnections: Ann Holsberry and Mari Andrews
Nature has been an inspiration to artists for centuries. It has played a vital role in our creative expression, be it literal or abstract. The textures, colors, and sounds from our environment affect every aspect of life, physically and intellectually, thus altering the way we perceive our world. Many artists depict nature in its true form, the way it appears to the human eye. Sky, mountains, water, beaches, flowers and trees - these have been common subjects of paintings for ages. However, some derive inspiration from natural phenomena, analyzing the connections between all living beings and the earth, their interactions with each other and with the world around them.

OHAG presents the work of two such artists strongly influenced by nature: Mari creates art in the form of sculptures made with wire and naturally found objects, while Ann uses large canvases and a variety of media, lately focusing on cyanotype. Come enjoy the interconnectedness of the cosmos in an artistic realm.

ART (Artfully Recycled Treasures)
Sculpture Workshop by Carla Ann Moss
Wednesday May 24th, 10 to 12 noon at Mission Room OHAG

This might be your only chance to transform your junk into beautiful art pieces! We will assemble and create a WHIMSICAL work of art using items and objects you have found, or might recycle (no plastic bottles). You can make a figure, an abstract work, or even a little robot! These will be attached to a board (see Supplies below). Our mantra is WHIMSICAL! There is no set pattern or technique — you will simply connect/attach these pieces together and onto a pre-cut wooden board — which will be ready for hanging!

Did you forget to SIGN UP? No worries, there’s still a few spots left! Just click on the link below and REGISTER today and learn more!

President’s Message

I am delighted to announce that we have four co-chairs for the Ways & Means position on the board instead of two. Thank you Judy Anglin, Diane Leys, Gail Blalock and Sophia Liu for volunteering. Most of these ladies have years of experience behind them. We need new volunteers to come forward and learn from them so we can continue serving the community and promoting the gallery in the future. The ballots are in the mail, please send them back with your annual dues. Don’t miss the installation dinner at Papillon on June 21st. The last date for entering the members’ juried art show is May 22nd. Hope to see you all at the May 19th reception and student’s scholarship awards.

APRIL PROGRAM

An enthusiastic group enjoyed the Triton Museum’s Annual 2D Art Competition & Exhibition. The exhibit provided strong, thought provoking paintings, photographs, and variety in printmaking. After lunch at Santa Clara University, we strolled the lovely grounds, visited a special collection of art at the De Saisset Art Gallery, and saw a gorgeous Chihuly glass sculpture in their new Art History building. It was a delightful day – join us next time!

Serra Center Art Workshop Photo Session

Jurek Zarzycki (better known as Jurek “Z”), a skilled photographer who serves as Historian for Olive Hyde Art Guild, held a photo session in the Mission Room for the Serra Center Art Group at their class on Wednesday, April 26. Jurek converted the Mission lobby into a professional photo studio, set up his equipment and took quality individual pictures of each artist, the art instructor & assistant, and a few of the Serra Center staff. The entire class of 21 gathered for a group photo and they were also photographed randomly at work on their paintings during the class.

Jurek has been photographing the Serra art class every year since 2011 when it first started. The photos are featured in the event program for each reception, for displays at the exhibitions, and in all publicity pertaining to the Serra Center Workshop sponsored and funded by Olive Hyde Art Guild in collaboration with the City of Fremont and Serra Center. Jurek’s contributions are immensely appreciated by everyone. Thank you Jurek!!!

The Serra Art Workshop will continue through June 28th. A special reception and exhibition of the artists’ work will be held at the Fremont Library on Saturday, September 16, 1-3pm. More details will be provided closer to the date.
The following members are requested to bring enough canapés or sweets for 15 people. Plan to be at the reception from 6:45 to 9:30 PM to help with service and cleanup. Men are asked to help with the wine service. If you cannot bring your food, please arrange for a substitute. If you have any questions, please call Barbara Schlein at 657-3075. Thank you!
