PRESIDENT'S MESSAGE

Dear Guild Members,

It is with great honor that I embark on this journey as the President of the Olive Hyde Art Guild - an organization I have been involved with for almost 20 years in different capacities. I still remember the day when my two young kids and I stumbled into this quaint gallery so close to our home and their school in the Mission District. I was surprised to find that it was free, and yet had such an amazing variety of work and mediums.

The Olive Hyde Art Gallery is indeed a gem, yet undiscovered by many in Fremont. And over the years I have realized how much the Guild does for the gallery, and the community in general. It's always heartwarming to see our members enjoy the exhibits, the opening receptions, the various programs offered by the Guild, and of course our flagship Gala and Holiday Show & Sale. It is such a pleasure to support our local artists and give them a forum to showcase their creativity.

It takes many volunteers to keep the Guild running like a well oiled machine. I encourage you all to volunteer for the many opportunities available and get involved in any capacity. Get to know someone new, feel engaged, and get a sense of pride and purpose knowing that you gave back to your community.

I look forward to a great year for the Guild. I hope to see you at the next reception on August 25th for our ever so popular Annual Textile Exhibit, and at the Sept 21st program at Mission San Jose.

My best regards to all of you,
Manveen Kalyanpur

UPCOMING: SEPTEMBER PROGRAM ART OF THE MISSION SAN JOSE CHURCH

We are fortunate to have a tour and explanation of the art in the Mission San Jose Church. Even though it looks like it was built in the late 1700s, it is less than 50 years old. At that time, the rectory was moved south on Mission Boulevard to Anza so the church could be reconstructed on its original site. What on the inside is from the original church? How was it made to look original? How was the church built originally, and what was saved or recreated in the new one? Some art is very old, and some is not. Jurek Zarzycki, one of our OHAG members and also a Mission docent, will interpret and educate us as we tour through the church. The inside of the church is so artistically interesting.

Date: Thursday, September 21

JULY PROGRAM - CREATIVITY THROUGH TUFTING BY JENNIFER BANZACA

An art form that is gaining in popularity was presented for our July program. Jennifer Banzaca, who was the current show artist in the gallery, demonstrated how she creates her fanciful art. We were able to walk around to see the front and the back of cloth as she used her tools to do her tufting on the canvas. She explained the process of preparing the finished product after the tufting has been completed. This is a fairly new way of expressing her artistic self. After the program we were able to see her works of art in the gallery which was very interesting, as we could see the similarities and differences in her painting and tufting and how she combined them.

4TH OF JULY AFTER PARTY

OHAG had a booth at the Fremont 4th of July after party along with many local non profits. It was a super festive atmosphere.

We had student interns helping us with a craft activity (fireworks pipe cleaner rings) for children. It was a popular booth and we were visited by many children and adults.

Do think of volunteering next year or simply just visiting us at the booth, and learning about the various local non-profits while enjoying some food and entertainment.

Did you know: Art can improve your mental health by easing anxiety, despair, and trauma symptoms.

In Kind Remembrance of Hattie Hyman-Hughes

It is with great sadness that we acknowledge the passing of Hattie Marie Hyman-Hughes on June 29, 2023. Hattie was the creator of the Fremont Bank Foundation, and past Executive Vice President and Board Member of Fremont Bank. Her work with the Foundation provided funding for numerous projects in the areas of health and human services, education, and the arts. Olive Hyde Art Guild has been the fortunate recipient of FB and FBF grants every year since 1997. With sincere condolences to Hattie's son Brian Hughes, and to all of the family.

SPEND THE DAY IN MISSION SAN JOSE

Come on out to the Mission San Jose area of Fremont on September 9th for Taste of Summer, a free community festival from 11:00 am - 5:00 pm at Ellsworth Street and Washington Blvd. Stroll around the safe and vehicle-free zone to enjoy market vendors, entertainment, kids activities, "try-it" exercise classes, food trucks, and community

A year ago, hundreds of Fremont residents were drawn to this same intersection for Mission San Jose Better Block, a community-building event where 89% of attendees said they wanted to see more of these events. In response, MSJ Chamber of Commerce picked up the mantle and started planning more street fairs, starting with Arts Mosaic in April 2022. The Taste of Summer event on September 9 builds on the successes of Better Block and Arts Mosaic, bringing in even more exciting local vendors and food trucks, and introducing activities for all ages at the Montessori School of Fremont's parking lot just across the street. Try out a short "Come as You Are" Yoga class with Sherri Plaza, shake it up in Zumba with Christina Chua, learn some movie-worthy dance moves with Sun Bollywood, or keep the kids busy with games and art.

While you're in the area, we encourage you to "Spend the Day in Mission San Jose" by walking around the neighborhood to visit other special events happening at the same time. Across the street from Taste of Summer is the Olive Hyde Art Gallery featuring the 53rd Annual Textile Exhibition (olivehydeartguild.org). The historical Mission San Jose Museum (missionsanjose.org) is open from 10 am - 4:30 pm with a public tour at 11:00 am, or at any time take a self-guided tour of the church, museum, historical cemetery, and gardens. A few blocks down is the Ohlone College Flea Market from 9 am - 3 pm, where you can find treasures and deals. This very popular flea market is back in action after an 8-year break, and ready to welcome back the community to the updated Fremont campus.

Parking can be found along the streets adjacent to the area, along Mission Blvd and at Ohlone College.

For more information about Taste of Summer Mission San Jose, visit msjchamber.org or facebook.com/msjchamber
